

Erratum

Regarding the “How should I treat?” format, the Invited Experts are now added to the authors list, where appropriate, to publications from 2011 onwards. The corrections have also been applied to the online version of each publication.

Fusaro M, Cassese S, Byrne RA.

How should I treat a restenosis after superficial femoral artery stenting?

EuroIntervention. 2013;8:1342-5.

Ko BS, Antonis PR, Meredith IT.

How should I treat a patient with symptomatic severe aortic stenosis and a 23 mm aortic annulus who is referred for transcatheter aortic valve replacement using the CoreValve prosthesis?

EuroIntervention. 2013;8:1217-25.

Debonnaire P, Van Herck PL, Katsanos S, van der Kley F, de Weger A, Palmén M, Marsan NA, Schalij MJ, Delgado V.

How should I treat acute aortic annulus rupture during transcatheter aortic valve implantation?

EuroIntervention. 2013;8:1103-9.

Coceani M, Ciardetti M, Schlueter M, Palmieri C, Santoro G, Berti S.

How should I treat a perimembranous interventricular defect following aortic valve replacement surgery?

EuroIntervention. 2012;8:982-8.

Geraci S, La Manna A, Tamburino C.

How should I treat a massive thrombus embolisation in the left coronary artery during chronic total occlusion revascularisation?

EuroIntervention. 2012;8:866-75.

Senguttuvan NB, Ramakrishnan S, Gulati GS, Seth S, Bhargava B.

How should I treat guidewire-induced distal coronary perforation?

EuroIntervention. 2012;8:155-63.

Brunetti ND, Centola A, Campanale EG, Cuculo A, Ruggiero A, Ziccardi L, De Gennaro L, Di Biase M.

How should I treat a “swinging” left main thrombosis complicating coronary angioplasty in an obese, diabetic, elderly woman treated with fondaparinux?

EuroIntervention. 2012;7:1470-5.

Kohli SK, Wong A, Khurana R.

How should I treat a mural perforation due to acute stent fracture in a calcified proximal LAD?

EuroIntervention. 2012;7:1350-60.

De Vroey F, Velavan P, El Jack S, Webster M.

How should I treat an entrapped rotational atherectomy burr?

EuroIntervention. 2012;7:1238-44.

Wykrzykowska JJ, Ligthart J, Lopez NG, Schultz C, Garcia-Garcia H, Serruys PW.

How should I treat an iatrogenic aortic dissection as a complication of complex PCI?

EuroIntervention. 2012;7:1111-7.

Corrected to

Fusaro M, Cassese S, Byrne RA, Krankenberg H, Zeller T, Bosiers M, Callaert J, Deloosse K.

How should I treat a restenosis after superficial femoral artery stenting?

EuroIntervention. 2013;8:1342-5.

Ko BS, Antonis PR, Meredith IT, Tchetché D, Eggebrecht H, Zierer A, Doss M.

How should I treat a patient with symptomatic severe aortic stenosis and a 23 mm aortic annulus who is referred for transcatheter aortic valve replacement using the CoreValve prosthesis?

EuroIntervention. 2013;8:1217-25.

Debonnaire P, Van Herck PL, Katsanos S, van der Kley F, de Weger A, Palmén M, Marsan NA, Schalij MJ, Delgado V, Moat N, Duncan A, Davies S, di Mario C, Barker S, Snow TM, Trimlett RHJ, Mylotte D, Martucci G, Piazza N.

How should I treat acute aortic annulus rupture during transcatheter aortic valve implantation?

EuroIntervention. 2013;8:1103-9.

Coceani M, Ciardetti M, Schlueter M, Palmieri C, Santoro G, Berti S, Buellfeld L, Klinger C, Ruiz CE.

How should I treat a perimembranous interventricular defect following aortic valve replacement surgery?

EuroIntervention. 2012;8:982-8.

Geraci S, La Manna A, Tamburino C, Escaned J, Di Serafino L, Van Mieghem C.

How should I treat a massive thrombus embolisation in the left coronary artery during chronic total occlusion revascularisation?

EuroIntervention. 2012;8:866-75.

Senguttuvan NB, Ramakrishnan S, Gulati GS, Seth S, Bhargava B, Alfonso F, Sandoval J, Medina M, Jiménez-Quevedo P, Webster MWI, Ormiston JA.

How should I treat guidewire-induced distal coronary perforation?

EuroIntervention. 2012;8:155-63.

Brunetti ND, Centola A, Campanale EG, Cuculo A, Ruggiero A, Ziccardi L, De Gennaro L, Di Biase M, Bassand JP, Park SJ.

How should I treat a “swinging” left main thrombosis complicating coronary angioplasty in an obese, diabetic, elderly woman treated with fondaparinux?

EuroIntervention. 2012;7:1470-5.

Kohli SK, Wong A, Khurana R, Aoki J, Barlis P, Ferrante G.

How should I treat a mural perforation due to acute stent fracture in a calcified proximal LAD?

EuroIntervention. 2012;7:1350-60.

De Vroey F, Velavan P, El Jack S, Webster M, Kukreja C, Reifart N.

How should I treat an entrapped rotational atherectomy burr?

EuroIntervention. 2012;7:1238-44.

Wykrzykowska JJ, Ligthart J, Lopez NG, Schultz C, Garcia-Garcia H, Serruys PW, Nienaber CA, Kische S, Ince H, Marco M, Descoutures F.

How should I treat an iatrogenic aortic dissection as a complication of complex PCI?

EuroIntervention. 2012;7:1111-7.

Abdou SM, Hussein H, Wu CJ.

How should I treat a patient with left main disease and a totally occluded left anterior descending artery with a diseased saphenous venous graft?

EuroIntervention. 2011;7:995-1003.

d'Ascenzi F, Zacà V, Iadanza A, Mondillo S, Pierli C.

How should I treat pulmonary arteriovenous malformations in a patient with Rendu-Osler disease presenting with transient ischaemic attack?

EuroIntervention. 2011;7:880-5.

Musiątek P, Tekieli Ł, Pieniazek P, Undas A, Miszański-Jamka T, Zajdel W, Klimeczek P, Laskowicz B, Bany RP, Pasowicz M, Podolec P.

How should I treat a very large thrombus burden in the infarct-related artery in a young patient with an unexplained lower GI tract bleeding?

EuroIntervention. 2011;7:754-5.

Gutiérrez-Chico JL, García-García HM, Ligthart J, Bol-Raap G, Garg S, Bekkers JA, Serruys PW.

How should I treat impaired systolic function and clinical deterioration after surgery of type A aortic dissection?

EuroIntervention. 2011;7:638-46.

Owens CG, Spence MS.

How should I treat a patient to remove a fractured jailed side branch wire?

EuroIntervention. 2011;7:520-7.

Fernandez JP, Hobson AR, McKenzie DB, Talwar S, O'Kane PD.

How should I treat severe calcific coronary artery disease?

EuroIntervention. 2011;7:400-7.

Mouillet G, Deux JF, Lesault PF, Gellen B, Dubois-Rande JL, Teiger E, Champagne S.

How should I treat a huge intra-mural haematoma of the ascending aorta after coronary angioplasty?

EuroIntervention. 2011;7:278-84.

Schultz C, Piazza N, Weustink A, Ligthart J, Otten A, de Jaegere P, Serruys PW.

How should I treat acute valve regurgitation?

EuroIntervention. 2011;7:151-9.

Furuichi S, Montorfano M, Godino C, Murino M, Sangiorgi GM, Colombo A.

How should I treat a long and huge coronary pseudoaneurysm after spontaneous coronary artery dissection?

EuroIntervention. 2011;6:1131-6.

Testa L, Bedogni F.

How should I treat a coronary "traffic jam"? A triple kissing balloon in distal left main trifurcation.

EuroIntervention. 2011;6:1011-6.

Murray SW, Velavan P, Ramsdale DR.

How should I treat a spontaneously reperfused acute STEMI that involves the left main stem and proximal LAD?

EuroIntervention. 2011;6:895-9.

Abdou SM, Hussein H, Wu CJ, Fournial G, Buchanan GL, Chieffo A.

How should I treat a patient with left main disease and a totally occluded left anterior descending artery with a diseased saphenous venous graft?

EuroIntervention. 2011;7:995-1003.

d'Ascenzi F, Zacà V, Iadanza A, Mondillo S, Pierli C, Meier B, Carminati M.

How should I treat pulmonary arteriovenous malformations in a patient with Rendu-Osler disease presenting with transient ischaemic attack?

EuroIntervention. 2011;7:880-5.

Musiątek P, Tekieli Ł, Pieniazek P, Undas A, Miszański-Jamka T, Zajdel W, Klimeczek P, Laskowicz B, Bany RP, Pasowicz M, Podolec P, Waksman R, Prendergast B.

How should I treat a very large thrombus burden in the infarct-related artery in a young patient with an unexplained lower GI tract bleeding?

EuroIntervention. 2011;7:754-5.

Gutiérrez-Chico JL, García-García HM, Ligthart J, Bol-Raap G, Garg S, Bekkers JA, Serruys PW, Vranckx P, Pomar JL.

How should I treat impaired systolic function and clinical deterioration after surgery of type A aortic dissection?

EuroIntervention. 2011;7:638-46.

Owens CG, Spence MS, Burzotta F, Trani C, Erglis A.

How should I treat a patient to remove a fractured jailed side branch wire?

EuroIntervention. 2011;7:520-7.

Fernandez JP, Hobson AR, McKenzie DB, Talwar S, O'Kane PD, Dahm JB, Godino C, Colombo A.

How should I treat severe calcific coronary artery disease?

EuroIntervention. 2011;7:400-7.

Mouillet G, Deux JF, Lesault PF, Gellen B, Dubois-Rande JL, Teiger E, Champagne S, Nienaber CA, Kische S, Ince H, Marco J, Descouture F.

How should I treat a huge intra-mural haematoma of the ascending aorta after coronary angioplasty?

EuroIntervention. 2011;7:278-84.

Schultz C, Piazza N, Weustink A, Ligthart J, Otten A, de Jaegere P, Serruys PW, Ducrocq G, Himbert D, Vahanian A, Delgado V, Schaliq, MJ, Bax JJ.

How should I treat acute valve regurgitation?

EuroIntervention. 2011;7:151-9.

Furuichi S, Montorfano M, Godino C, Murino M, Sangiorgi GM, Colombo A, Sabate M, Banning AP.

How should I treat a long and huge coronary pseudoaneurysm after spontaneous coronary artery dissection?

EuroIntervention. 2011;6:1131-6.

Testa L, Bedogni F, Galassi GR, Tomasello SD, Hoye A.

How should I treat a coronary "traffic jam"? A triple kissing balloon in distal left main trifurcation.

EuroIntervention. 2011;6:1011-6.

Murray SW, Velavan P, Ramsdale DR, Ligthart J, Valgimigli M.

How should I treat a spontaneously reperfused acute STEMI that involves the left main stem and proximal LAD?

EuroIntervention. 2011;6:895-9.
